Ranch Horse Classic started in 2004.

The show has 250 competitors, 120 cows, 36 stands at the market place and about 18.500 visitors.

During four days we compete in Cutting, Reined Cow Horse, Herd Work, Pole Bending, Barrel Race, Team Sorting, Team Penning, Ranch Trail, Dummy Roping, Ranch Reining, and Ranch Trail.

The main Street at High Chaparral is open Friday and Saturday with food, drinks and live music. During these four days we also have a Line dance, Square dance and a Rendezvous' for Trappers.

The visitors are a wide range of people interested in horses and different sport- and outdoor activities.

It is the biggest western riding show in Sweden and one of the biggest in north Europe.

It is a four-day show, outdoor, 2009 will be the sixth year. It is a Show with cutting, working cow horse, team penning, team sorting, Dummy roping (we do not rope live cattle in Sweden, only dummy's) Heard work, ranch cutting, pole bending and barrel race. We have Riders from Sweden, Denmark, Holland and Germany.

2009 we will have NCHA-approved cutting and the first NRCHA-approved Show in Sweden.

2008 we had 270 participants, 18.500 visitors, and a market with over 30 Stands. The show takes place at High Chaparral in Smaland in the south of Sweden. High Chaparral is a big western town, the biggest in the world?

It is a event for the whole family, if you get tired of horses you can visit the western town, (it is only 500 meters between the show arena and the western town) and look at the shows (stunt show, India show, Lucky Luke how, Mexican Show), eat, drink and shopping
